

Athlete Assignment - Touring and Sightseeing

We want you to have a full experience, which not only includes participating at the games but some touring and sightseeing as well.

So for your assignment, you the athlete, needs to do your research of the host city and list 3 fun and exciting places to see or activities that you would like to do and why.

We will compile the information and decide based on what you pick for the delegation to do as a whole.

We look forward to your choices!
