Current Coaching Certification and Achievements:

For the following questions, please attach additional pages if more space is needed for answers

Describe how you would ensure the welfare of the Delegation during the Games:

As coach, what steps would you take to ensure the Delegation understands their role and the importance of representing the City in a positive light?

When interacting with other Delegations and coaches, what can you do to positively represent the City and KWICG?

Describe how you would prepare athletes for participation and competition at the Games, enabling them to fully enjoy the experience and to perform to the best of their ability?

Past travel experience as a coach:

As a Coach, I agree to:

- Conduct programs with adequate supervision and instruction during the Games training, competition, and all other times when athletes are under my control and guidance.
- Observe the directions of the Head of Delegation.
- Act in a professional manner at all times, setting an example for athletes.
- Represent the City and the Delegation with respect and in the spirit of the Games
- Attend all pre-Games Delegation meetings and activities.
- Restrict personal usage of cell phones and internet to such times when direct supervision of athletes is not required, including training and during competition.

I attest that the above information is accurate. I have read and I agree to all of the terms and conditions in this Information and Application package for the 2020 Games.
